Learn to Make Magnificent Gum Paste Floral Displays

Discover one of the most breathtaking ways to decorate a cake by enrolling in **Course 4-Advanced Gum Paste Flowers!** You'll be amazed at how **easy and fun** it is to create realistic-looking gum paste flowers, like Gerbera daisies, briar roses, Stargazer lilies and more.

Your Wilton Method Instructor will **lead you every step** of the way as you craft life-like blossoms and leaves for floral arrangements that top the most beautiful cakes. And, you won't need to bring a cake to this course, so you can focus on your flowers.

As you learn each new technique, you'll be closer to your sensational finale: a beautiful floral spray that showcases your **expanded decorating skills!**

When you've completed Course 4, you'll create cakes that are sure to be the talk of every party. Plus, you'll have **learned time-honored tips** and techniques that the Wilton experts know! Come discover all of this while having a **great experience** sharing the excitement of decorating with other students. Sign up for **Course 4-Advanced Gum Paste Flowers** today!
